Dear Hiring Manager,

I am writing to express my strong interest in the DevOps position at your organization. As an enthusiastic and dedicated DevOps professional, I am excited about the opportunity to contribute my skills and expertise to your team. My background in DevOps, Linux administration, and cybersecurity, combined with my education and project experience, make me a strong candidate for this role.

Professional Experience

- **DevOps, Begin DevOps Career As an Absolute Beginner**
  - In this role, I gained a foundational understanding of DevOps, working with tools such as Linux, AWS, Jenkins, Ansible, Docker, and Kubernetes.
  - mastering AWS
- **Docker & Kubernetes: The Practical Guide**
  - mastering Docker and Kubernetes.

Skills

- Linux / Git / GitLFS / GitHub / GitLab / Docker / podman / Kubernetes / Bash Scripting / PowerShell / JSON / Terraform
- vagrant / Nginx / AWS / Jenkins / Helm / sonarqube / sonarcloud / Ansible / vim / neovim / C / C++ / Java / Python / YAML

I am confident that my technical skills, passion for DevOps, and dedication to learning make me a valuable candidate for this position. I am eager to leverage my knowledge and experience to help streamline your development and operations processes, ensuring high-quality software delivery and infrastructure management.

Thank you for considering my application. I would welcome the opportunity to discuss how my qualifications align with your needs. Please feel free to contact me at `mmsaeed509@gmail` .com or at `+201116060955` .

Sincerely,

Mahmoud Mohamed Said Ahmed
